Key Audit Matters

The “Key Audit Matters” means that the independent auditor has used their professional judgment to audit the most important matters on the 2020 consolidated financial statements of SUN MAX Group. These matters were addressed in the content of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on those matters.

The Key Audit Matters to be performed on the 2020 consolidated financial statements of SUN MAX TECH LIMITED follows:

Recognition of revenue

The operating revenue of the Power Group is mainly from the sales of cooling fans and concentrated in the top ten customers, of which the operating revenue of the top three customers’ accounts for about 53% of the total operating revenue in 2020. In the opinion of the accountant, the company's industry is highly competitive and the management may be under pressure to achieve the expected goals. Therefore, it is judged that the top three customers and the top ten new customers may have higher income recognition risks. Therefore, the existence of the revenue recognition of the top three customers and the top ten new customers in the current year is recognized as a Key Audit Matters. Please refer to Note 4(11) for revenue recognition policy.

The audit procedure for potential misstatement risk of revenue recognition is as below:

1. Understand and test the effectiveness of internal control related to sales revenue recognition.
2. Examine whether or not there are any changes among the top ten customers; if there is a new party, not only review its basic information and credit evaluation form, but also test the transaction details to see if there are any anomalies.
3. For the top three customers and the top ten new customers, we randomly check the relevant transaction certificates, including the purchase orders, shipping orders, invoices and collection information, to confirm the authenticity of the sales.

Evaluation on inventory

The inventory of Group as of December 31, 2020 is 308,580 thousand dollars measured at the lower of cost or net value method. Because the rapid changes in product technology the risks of inventory become inactive or obsolete increase. Thus, the inventory value might be lower than its’ book value and the potential misstatement risk might exist in the consolidated financial statements. Accounting policy, significant accounting judgement, estimate and related information disclosure, please refer to Note 4(6) & 10 of the consolidated financial statements.

The audit procedure for potential misstatement risk of inventory valuation is as below,

1. Understand and test the effectiveness of internal control related to allowance for inventory valuation losses.
2. Select sample from inventory ending balance details, inspect the rationality and consistency of data used for loss allowance on inventory valuation calculation, recalculate the loss allowance on inventory amount and ascertain the inventory is valued at the lower of cost or net value method.

3. We acquire the detailed information of dead stock and aging information; randomly check and test the original information, logic and parameters of the report, and recalculate the related report for correctness.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The responsibility of management is to prepare fairly presented consolidated financial statements in conformity with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reports Standards, International Accounting Standards interpretations, and announcements of interpretations recognized and published by the Financial Supervisory Commission and maintain necessary internal control related to the preparation of consolidation of financial statements in order to ensure the material misstatement caused by fraud or error does not exist in the consolidated financial statements.

In preparing the consolidated financial statements, the management is responsible for assessing the ability of Taichung Bank as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate SUN MAX Group or to create operations, or has no realistic alternative but to do so.

Those in charge of governance (including the Auditing Committee) are responsible for overseeing the reporting process of SUN MAX Group.

Auditors' Responsibilities for the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Independent Auditors' Report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the accounting principles generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error. If fraud or errors are considered materials, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the accounting principles generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also perform the following works:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design, and perform audit procedures responsive to those risks, and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control effective in SUN MAX Group.
3. Evaluate the appropriateness of accounting policies used and the reasonability of accounting estimates and related disclosures made by the management.

4. Conclude the appropriateness of the use of the going concern basis of accounting by the management, and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on SUN MAX Group and its ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Independent Auditors' Report to the related disclosures in the consolidated financial statements or, if such disclosure are inappropriate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of the Independent Auditors' Report. However, future events or conditions may cause SUN MAX Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure, and content of the consolidated statements, including related notes, whether the consolidated statements represent the underlying transactions and events in a matter that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence on the financial information of business entities within the Group in order to express an opinion on the consolidated financial statements. The independent auditor is responsible for guiding, supervising, and implementing the audit of the Group; also, is responsible for forming an opinion on the audit of the Group.

We communicate with those in charge of governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings (including any significant deficiencies in internal control that we identify during our audit).

We also provide those in charge of governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, (related safeguards).

From the matters communicated with those in charge of governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of SUN MAX Group of 2020 and are therefore the Key Audit Matters. We describe these matters in our Independent Auditors' Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communications.

SUN MAX TECH LIMITED **Rules of Procedure for Shareholder Meetings**

Article 1 The Rules of Procedure for Shareholder Meetings is processed in accordance with the Rules, unless otherwise provided by law or Company Corporate Charter (Articles of Incorporation).

Article 2 The Company's meeting of shareholders shall be convened by the Board, unless otherwise provided by law.

The Company's meeting of shareholders shall be convened by the Board, unless otherwise provided by law. The Company shall have the Annual Meeting of Shareholders notice, proxy and the proposal and information on admission, discussions and directors election and dismissal compiled into electronic files and uploaded to the MOPS 30 days prior to the annual meeting of shareholders or fifteen days prior to the extraordinary meeting of shareholders. Also, the Annual Meeting Handbook and the supplementary information are compiled into electronic files and uploaded to the MOPS 21 days prior to the Annual Meeting of Shareholders or 15 days prior to the extraordinary meeting of shareholders. Physical copies of the shareholder meeting manual and supplementary information also need to be prepared at least 15 days before the meeting, and made accessible to shareholders upon request. These documents shall be placed within the Company's premises and at the share administration agency, and distributed on-site during the shareholder meeting.

The reasons for convening the meeting should be stated in the notice and announcement. The notice with the consent of the counterparty can be issued electronically.

Matters pertaining to election or discharge of directors and audit committee, alteration of the Articles of Incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, dissolution, merger, spin-off, or any matters as set forth in Paragraph I, Article 185 of the Company Act, Articles 26-1 and 43-6 of the Securities and Exchange Act shall be itemized in the clauses or subjects to be described and the essential contents shall be explained in the notice to convene a meeting of shareholders, and shall not be brought up as extemporary motions; the essential contents may be posted on the website designated by the competent authority in charge of securities affairs or the company, and such website shall be indicated in the above notice.

The reasons for the convening of the shareholders' meeting have indicated the full re-election of directors and supervisors, and the date of appointment. After the re-election of the shareholders' meeting is completed, the date of appointment shall not be changed by temporary motion or other means at the same meeting.

Shareholders who have over 1% shareholdings in the Company's total number of shares issued may propose to the Company in writing to convene the Annual Meeting of Shareholders. But it is limited to one proposal and the additional proposals will not be included in the meeting agenda. A shareholder proposal proposed for urging a company to promote public interests or fulfill its social responsibilities may still be included in the list of proposals to be discussed at a regular meeting of shareholders

by the board of directors. In addition, the Board may have the proposals of shareholders that fall under the circumstances stated in Article 172-1 Paragraph 4 of the Company Act excluded from meeting discussions.

Prior to the book closure date before a regular shareholders meeting is held, the Company shall publicly announce that it will receive shareholder proposals, correspondence or electronic means, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Motion proposed by shareholders is limited to three hundred words. A proposed motion of more than three hundred words will not be included in the proposal. The proposing shareholders must attend the Annual Meeting of Shareholders in person or by proxy and must participate in the proposal discussion.

The Company shall have the proposing shareholder notified about the proposal results before the date of the meeting notice and must have the proposals in compliance with this provision included in the meeting notice. The Board shall state the reasons for not including the proposal of shareholders in the meeting agenda.

Article 3 Shareholders may attend the meeting of shareholders by proxy that is printed and issued by the Company with the scope of authorization detailed.

It is limited to one proxy per shareholder and one proxy only that should be served to the Company five days prior to the meeting of shareholders. When the proxy is issued in duplicate, whichever is served first shall prevail. The proxy referred to above that was announced to be revoked is not subject to this restriction.

After serving the proxy to the Company, the shareholders who wish to attend the meeting of the shareholders in person or to vote in writing or by electronic means shall notify the Company in writing to revoke the proxy two days prior to the meeting of the shareholders. If the proxy is not revoked before the deadline, the vote by proxy shall prevail.

Article 4 The shareholders meeting must be held at a location that is suitable and convenient for shareholders to attend. The meeting must not commence anytime earlier than 9AM or later than 3PM. Independent Directors' opinions must be fully taken into consideration when deciding the time and venue of the meeting.

Article 5 The Company shall have the admission time, admission place, and other related matters set forth in the notice of meeting.

The shareholders' meeting admission time referred to above should be at least thirty minutes before the meeting in session; it should be clearly indicated at the admission place and with the adequate and qualified personnel to handle it.

Shareholders and representatives thereof (collectively referred to as shareholders) shall attend shareholder meetings by presenting valid conference pass, attendance card or other document of similar nature. The Company may not request shareholders to present additional documentary proof unless specified in advance. Proxy form acquirers shall be reminded to bring identity proof for verification.

The company will provide an attendance log to record shareholders' attendance; alternatively, shareholders may present their attendance cards to signify their presence.

The Company shall have the Agenda Handbook, annual reports, attendance card, statement slip, ballots, and other meeting materials delivered to the shareholders presented; also, the ballot will be distributed to the directors for the election of directors, if any.

When the government or juridical person is a shareholder, the shareholder

attending the meeting by proxy is not limited to one representative. The juridical person that has attended the meeting of shareholder by proxy can authorize only one representative to attend the meeting.

Article 6 If the meeting of shareholders is convened by the Board, the Chairman of the Board is to chair the meeting. If the Chairman is on leave or is unable to exercise his/her powers for certain reasons, the Vice Chairman is to chair the meeting. If a Vice Chairman is not appointed or the Vice Chairman is also on leave or is unable to perform his duties for certain reasons, the Chairman is to appoint one of the general directors to chair the meeting. If a general director is not appointed, one of the directors is appointed to chair the meeting. If a representative is not appointed by the Chairman, one of the general directors or directors should be elected among the board members to chair the meeting.

The chairperson position mentioned above shall be assumed by a managing director or director, who has been on the board for more than six months and understands the Company's financial and business performance. The rule referred to above does apply if the chairman is a representative of the legal director.

The Chairman shall personally preside the Shareholders' meeting that is convened by the Board of Directors; also, a majority of the Board of Directors and at least one member of each functional committee should attend the meeting with the attendance recorded in the minutes of meeting.

If the shareholders' meeting is convened by any authorized party other than the Board of Directors, the convener will act as the meeting chairman. If there are two or more conveners, they shall appoint one among themselves to chair the meeting.

The Company may assign the appointed attorney, CPA, or responsible personnel to attend the meeting of the shareholders.

Article 7 The Company shall have the admission of the shareholders, the meeting in session, and the voting and vote counting process recorded and filmed uninterruptedly.

The audio and video data referred to above should be reserved for at least one year. However, for the litigation filed by the shareholders in accordance with Article 189 of the Company Act, it should be reserved until the end of the proceedings.

Article 8 Attendance of the meeting of shareholders should be calculated in accordance with the shareholdings. The shareholding attendance is based on the attendance registry or the signature cards submitted, plus the votes exercised in writing or by electronic means.

The chair shall call the meeting to order at the meeting time. If the shareholding of the attending shareholders is not more than half of the total number of shares issued, the Chairman may announce the meeting postponed, which is limited to two postponements and for less than one-hour in total.

If the shareholding of the attending shareholders remaining do not constitute more than one third of the total number of shares issued after the two postponements, the Chairman may announce to have the meeting aborted.

If the shareholdings of the attending shareholders are not more than half of the total number of shares issued after two postponements but more than one third of the total number of shares issued, a pseudo-resolution can be resolved in accordance with Paragraph 1, Article 175 of the Company Act; also, shareholders should be informed regarding the pseudo-resolution with another meeting of shareholders to be convened within one month.

If the shareholdings of the attending shareholders are more than one half of the total number of shares issued before the end of the meeting, the Chairman may have the pseudo-resolution presented again in the next meeting of the shareholders for resolution in accordance with Article 174 of the Company Act.

Article 9 If the shareholders meeting is called by the Board of Directors, the agenda shall be specified by the Board of Directors. Motions (including extemporary motions and amendments to original motions) shall be resolved one by one as scheduled. The agenda may not be changed without the resolution of the shareholders meeting.

If the meeting of shareholders is convened by an authorized person other than the Board, the provision referred to above is applicable.

In either of the two arrangements described above, the chairperson shall not dismiss the meeting while an agenda (including special motions) is still in progress. If the chairperson violates conference rules by dismissing the meeting when not allowed to do so, other members of the board shall immediately assist the attending shareholders in electing another chairperson with the support of more than half of voting rights represented and continue the meeting.

The chairman shall give full explanation and discussion to the motion and the amendment or temporary motion proposed by the shareholders. When the chairman thinks that the voting is ready, he may declare that the discussion to be stopped and put the voting forward and arrange adequate voting time.

Article 10 Shareholders who wish to speak during the meeting shall produce an opinion slip detailing the topic and shareholder account number (or conference pass serial number). The order of shareholders' comments shall be determined by the chairperson.

Attending shareholders who have speech slips submitted but not speak shall be deemed as silent shareholders. If there is a discrepancy found between the text of the speech and the speech slip submitted, the contents of the speech shall prevail. Each shareholder may not speak more than twice on the same motion for 5 minutes each time without the consent of the Chairman. However, the Chairman may have the speaking shareholders who violate the rules or speak beyond the scope of those issues silenced.

Attending shareholders may not interfere with the speaking shareholders without the consent of the Chairman and the speaking shareholders. The Chairman will have the violating shareholders stopped.

If the juridical person shareholder has more than two representatives assigned to attend the meeting of shareholders, only one of the two representatives may speak on the same proposal.

The Chairman may reply to the speaking shareholders personally or by the designated personnel.

Article 11 Resolutions of the meeting of shareholders should be based on their shareholdings.

For the resolutions in the meeting of shareholders, the shares of the shareholders without votes are not included in the calculation of outstanding shares.

Shareholders who have a conflict of interest with the proposals that are detrimental to the Company's interests shall not vote, and cannot vote by proxy on behalf of the other shareholders.

The number of shares held by shareholders who are not permitted to vote shall be excluded from total voting rights represented in the meeting.

Except for Trust agencies or stock agencies approved by the securities regulatory

authorities, the votes of the representative delegated by two or more shareholders shall not exceed 3% of the total votes representing the total number of shares issued; also, the votes exceeding the threshold shall not be counted.

Article 12 Shareholders are entitled to one vote per share; except for those subject to restrictions or the non-voting matters illustrated in Paragraph 2, Article 179 of the Company Act.

Voting rights may be exercised in writing or using the electronic method (pursuant to Paragraph 1, Article 177-1 of the Company Act: the Company allows shareholders to exercise voting rights in writing or through the electronic method during shareholder meetings.) Instructions for exercising voting rights in writing or through the electronic method shall be stated clearly in writing on the meeting advice. Shareholders who have their votes cast in writing or by electronic means are deemed as attending the meeting in person. However, in respect of the motion and the amendment of the original proposal in the shareholders' meeting it is deemed as a waiver; therefore, the Company is advised to avoid proposing motion or the amendment of the original proposal.

For the votes exercised in writing or by electronic means referred to above, the intention should be delivered to the Company two days prior to the meeting of shareholders. For the intention expressed in duplicate, whichever is delivered first shall prevail. The intention referred to above that was announced to be revoked is not subject to this restriction.

Shareholders after exercising their votes in writing or by electronic means wish to attend the meeting of shareholders in person shall have the intension of exercising votes in writing or by electronic means revoked the same way of exercising their votes two days prior to the meeting commencement date. For overdue revocations, the votes exercised in writing or by electronic means shall prevail. If the vote is exercised in writing or by electronic means and a representative is to attend the meeting of shareholders by proxy, the votes exercised by the representative in person shall prevail.

For the resolution of proposals, unless otherwise provided in the Company Act and the Company Corporate Charter (Articles of Incorporation), the consent of a majority vote of the attending shareholders shall prevail. The Chairman or the designated personnel are to announce the total number of balloting rights of the shareholders presented at the time of balloting, and the ballots will be casted on a case-by-case basis. The result of the votes of approval, objection, or waiver casted by shareholders will be posted on the MOPS (Market Observation Post System) at the end of the shareholders' meeting.

When there is an amendment or alternative for the same motion, the Chairman shall have the order of vote, including the original proposal, determined accordingly. If one of the motions has been passed, the other motions shall be deemed as rejected without the need for further resolution.

Chairman is to appoint the scrutineers and counting officers who must be shareholders.

The vote counting process of the shareholder's balloting or election should be held openly at the meeting venue. The balloting result should be announced immediately at the meeting, including statistical weights, and it should be documented for record.

Article 13 The election of a director, if any, at the shareholders' meeting shall be conducted according to the Company's election procedures, and the result shall be announced right after, including the elected directors and supervisors, and the

votes casted.

Electoral ballots referred to above shall be sealed and signed by the scrutineers and reserved for at least one year. However, for the litigation filed by the shareholders in accordance with Article 189 of the Company Act, it should be reserved until the end of the proceedings.

Article 14 The resolutions reached in the shareholders' meeting must be documented in the minutes of meeting for the signature or seal of the Chairman. The minutes of meeting must be distributed to the shareholders in 20 days. The preparation and distribution of the minutes of shareholders' meeting can be processed electronically.

A public company may post the meeting minutes on the Market Observation Post System to distribute the minutes of the foregoing paragraph.

The meeting minutes should specify the complete date, venue, chairperson, resolution method of the meeting, a brief meeting process and voting results (including weighted number of votes). In case of election of directors, the votes earned by each candidate should be specified. During the existence of the company, it should be kept permanently.

Article 15 The Company shall have the statistical report for the number of shares solicited by the solicitor and the number of shares by proxy prepared in the specific format during the meeting of the shareholders commencement date and disclosed in the meeting.

If the resolutions reached in the shareholders' meetings involving material information regulated by law and regulations and the ROC GTSM, the Company shall within the prescribed time have the material information uploaded to the MOPS.

Article 16 The staff responsible for organizing the meeting of shareholders shall wear identification badges or armbands.

The Chairman may direct disciplinary personnel or security personnel to help keep the meeting place in order. The disciplinary personnel or security personnel that help keep the meeting place in order should wear an armband with "Marshal" affixed or an identification card.

When the meeting place is equipped with amplifying equipment, the Chairman may stop shareholders who do not use the speaking device provided by the Company from speaking.

The Chairman may instruct the disciplinary personnel or security personnel to have shareholders who violate the Rules of Procedure for Shareholder Meetings, disobey the instructions of the Chairman, intervene in the meeting proceedings and fail to comply with the disciplinary act escrowed to leave the meeting place.

Article 17 The Chairman may announce the meeting in recess. The Chairman may rule to have the meeting suspended temporarily under unruly circumstance and have the meeting resume depending on the situation.

If the meeting place cannot be used continuously before the proposals (including motions) resolved in the agendas scheduled, it can be resolved to be continued in the meeting of shareholders to find another venue for the meeting.

The meeting of shareholders may, in accordance with Article 182 of the Company Act, resolve to have the meeting postponed or resumed in five days.

Article 18 These rules will be implemented after being approved in the shareholders' meeting, same as the amendment.

Article 19 These Rules are prescribed on April 30, 2016.

The first amendment was made on June 19, 2020.

For so long as the Shares are registered in the Emerging Market or listed on the Taipei Exchange or TSE, unless otherwise provided in the Applicable Listing Rules, the Company shall obtain a prior approval of the Commission and/or other competent authorities for any capital increase (ie., issue of new Shares) (whether inside Taiwan or outside Taiwan) in accordance with the Applicable Listing Rules.

19. The rights conferred upon the holders of the Shares of any Class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the Shares of that Class, be deemed to be materially adversely varied or abrogated by, *inter alia*, the creation, allotment or issue of further Shares ranking *pari passu* with or subsequent to them or the redemption or purchase of Shares of any Class by the Company.

Subject to the Law and notwithstanding anything to the contrary in these Articles, Shares that are listed or admitted to trading on an approved stock exchange (as defined in the Law, including the Taipei Exchange and the TSE), may be evidenced and transferred in accordance with the rules and regulations of such exchange.

23. The instrument of transfer of any Share shall be in any usual or common form or such other form as the Directors may, in their absolute discretion, approve or the form required by the Taipei Exchange or TSE (for so long as the Shares are registered in the Emerging Market or listed in the Taipei Exchange or TSE) and be executed by or on behalf of the transferor and if so required by the Directors, shall also be executed on behalf of the transferee and shall be accompanied by the certificate (if any) of the Shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer. The transferor shall be

The Register of Members maintained by the Company in respect of the Shares which are registered in the Emerging Market or listed in the Taipei Exchange or the TSE may be kept by recording the particulars required under the Law in a form otherwise than legible provided such recording otherwise complies with the laws applicable to the Emerging Market, Taipei Exchange or TSE and the Applicable Listing Rules. 29. A Person becoming entitled to a Share by reason of the death or bankruptcy of a Shareholder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered Shareholder, except that he shall not, before being registered as a Shareholder in respect of the Share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company; provided however, that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the Share, and if the notice is not complied with within ninety (90) days, the Directors may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Share until the requirements of the notice have been complied with.
